Life Force Foundation Ltd (ABN 61 068 056 682) is a Public Benevolent Institution and has Deductible Gift Recipient (DGR) status with the Australian Tax Office.

The Board's role is to:

- Provide strategic direction and governance
- Set management's goals and approve the annual budget
- Ensure effective financial and risk management oversight and continued organisational viability and sustainability

The Board constantly monitors and reviews the Company's compliance with its statutory obligations. This ensures that the Company meets its legal obligations. It also provides assurance to LFF supporters that their decision to support LFF is making a difference to the community.

The Board needs to understand and keep informed about the charity's activities and finances.

Directors are expected to act with the highest ethical standards, having regard to LFF's vision, mission and guiding principles, charitable status and community service ethos, bound by its mission to continue to advance the professional delivery of services to the community.

The Board supports and observes the Code of Conduct for Directors issued by the Australian Institute of Company Directors.
